- Community Involvement and Participation

Placemaking and Public Spaces

**Placemaking Initiatives**

1. Creating squares and parks as multi-use destinations
2. Improving streets as public spaces
3. Building local economies through markets and festivals
4. Linking public health to public space
5. Designing buildings to support public places
6. Building on the historic fabric
Placemaking and Public Spaces

Joint Work Session Policy (Agreed 14-3) Placemaking – Urbanization not only provides expanded opportunity for housing and employment, it offers great opportunity for creating rich, walkable mixed use centers enriching the community's visual character and quality of life.

Comment: recognized that not all dense, urban places are positive.

Plano Tomorrow Survey:
- Favorite places include Legacy Town Center, Downtown Plano, Oak Point Park, and Arbor Hills Nature Preserve
- “Enhancing open space areas to encourage neighborhood interaction and pedestrian friendly activity” was important.

Proposed Plano Tomorrow Policy: Plano will make placemaking efforts a priority by encouraging public spaces that enhance community character, create memorable and unique experiences, and build neighborhood identity.
Arts and Culture

Joint Work Session Policy (Agreed 10-7) Cultural Amenities - The city should assume significant responsibility directly, or through public/private partnerships, to provide cultural amenities (theaters, amphitheater, plaza, meeting/event space, galleries, etc.) that enrich quality of life in the city.

Joint Work Session Policy (Agreed 11-6) Private Amenities - The development of cultural amenities (theaters, amphitheaters, plazas, meeting/event space, etc.) is primarily a private and non-profit sector responsibility consistent with community desire and market demand.

Comments:
• Open on a financially limited basis
• City should lead but expect private participation
• Uses do not benefit all citizens equally

Arts and Culture

Plano Tomorrow Survey:
- Residents desire arts and cultural amenities and leave the city to find these facilities.
- Residents also feel that “openness and acceptance towards people of diverse backgrounds” is one of the lowest quality of life aspects in Plano today.

Proposed Plano Tomorrow Policy: Plano will promote the advancement of arts and cultural amenities through private and nonprofit partnerships to enhance quality of life and enrich community culture.
Heritage Preservation

Joint Work Session Policy (Agreed 14-3) Placemaking – Urbanization not only provides expanded opportunity for housing and employment, it offers great opportunity for creating rich, walkable mixed use centers enriching the community’s visual character and quality of life.

Comments:
• Placemaking exercise: Bishop arts type development in downtown
• Placemaking exercise: Downtown Plano as a destination

Plano Tomorrow Survey:
- Downtown Plano was ranked as the 3rd favorite place by residents

Proposed Plano Tomorrow Policy: Plano will embrace its unique historical character and authenticity by identifying and preserving historic and cultural resources that promote the understanding of the city’s history and enrich the city’s sense of place.
Community Building

Joint Work Session Policy: No Policies

Plano Tomorrow Survey: No Questions

Existing Community Building Programs:
- Love Where You Live
- National Night Out
